Holders for Apple iPhone 12 Series

Brodit offers a wide range of holders for the new iPhone 12 series. Keep your phone in a holder attached onto a ProClip Mountingplatform in your car and you will always have it within easy sight and reach while driving! Safe, convenient and comfortable. You can choose between holders with or without charging, for iPhone with or without skin.

The holders are equipped with a tilt swivel. This means that you can adjust the angle your device in order to avoid light reflection on the screen. You can easily switch between portrait and landscape mode by turning the holder into desired position. Easy insert and removal of device in the holder.
